11th Annual NCICG Golf Outing

The North Central Illinois Council of Governments (NCICG) is a 501(c)(3) not-for-profit regional planning agency serving communities in Bureau, DeKalb, LaSalle, Marshall, Putnam, Stark and Grundy Counties. We offer grant writing, planning, technical assistance, and professional services at a reasonable cost. NCICG has obtained millions of dollars in community development funds for projects including infrastructure improvements, parkland, development and acquisition, housing construction and rehab, and economic development improvements.

In over 30 years of existence, North Central Illinois Council of Governments has provided service to local governments and elected officials facing complex community and economic development issues.

The golf outing is our main fundraiser during the year. The money raised helps finance the replacement of outdated technology, specialized training programs, and devices used to provide services our counties and communities have become dependent upon.
